An aerial photograph of the Phoenix Union High School campus. The image shows several large, light-colored buildings, likely classrooms or administrative buildings, arranged in a grid-like pattern. There are also smaller structures, possibly gymnasiums or sports facilities, and a large, curved building on the right side. The campus is surrounded by a city street grid, with cars visible on the roads. The photograph is heavily marked with numerous handwritten signatures in blue ink, which are scattered across the entire image, overlapping the buildings and streets. The overall tone of the photograph is sepia or aged.

There are also several large, open areas that appear to be sports fields or parking lots. The surrounding area includes residential neighborhoods with smaller houses and streets. Handwritten in blue ink across the top left and center of the image is the text: "I want to go back to school again. Always a good teacher." Below this, in the center, is the number "115". ## Foreword

SEPTEMBER OF 1957 was an occasion not to be forgotten in the life of a French foreign exchange student. This petite, dynamic blond by the name of Jacqueline de Vulpian, nicknamed Jackie by her new American friends, became the first foreign exchange student to grace the campus of Camelback High School. Through the pages of this book we, the staff of THE SHIELD, wish to show how Jackie quickly adapted herself to the ways of life of the American teenager and became a vital and active part of our student body.

# In Memoriam

CURTIS MUNSON

RICHARD HENNESSEY

The hot trombone that passed his lips  
Shall know his notes no more,  
For a car came along on an evening trip,  
And fate had closed the door.

On the blonde headed kid with his golden trombone,  
The guy that everyone knew,  
With scarcely a worry to call his own  
And always something to do.

The guys who played at his side each day  
Know his is a place they can't fill,  
And the dance band small, though good as they  
play,  
Has grown even smaller still.

The boy that was liked by everyone,  
You can see his spirit shine,  
Has finally found his place in the sun  
In the palm of a Hand that's Divine.

The sadness of a memory  
Drifts slowly through our minds,  
Our sorrowed hearts in sharp decline  
Slow down their quickened beat.

For silent fate has stilled the clock  
From which came joyous times,  
And time has caught and slowed to naught  
Those swiftly running feet.

— Lewis Kruglick

## Class of '58

LEADING FOR this year are: Eddie Spicer, vice president; John Myers, president; Diane Davis, recording secretary; Karen Greenfield, financial secretary.

THIS YEAR THE SENIORS had a big success with the sale of class pins to all classes. There was such a tremendous demand for them that the supply ran out sooner than expected and more had to be ordered.

A Rodeo Dance was sponsored by the Seniors for all classes, March 12, in the gym. All were dressed in their festive western garb. The highlight of this dance was the beard judging contest won by two of our own Seniors — Joel Muzzy and George Coleman.

The annual Freshman - Senior Talent Assembly worked out well and brought out many varieties of accomplishments.

The Seniors were honored and received awards at their Senior Farewell Assembly.

The All Night Party took place at Paradise Inn following the graduation exercises. Everyone seemed to enjoy himself thoroughly.

The Senior's gift to the school had not been decided upon at the time of publication.

We wish to give our thanks and also our best wishes for the future.

"THE ARISTOCRATS," **Front Row:** Louie Gillinardo, Ronnie Wasem, Gary Walston, Land Wayland, and Gail Walston. **Second Row:** Joe Ritter, Con Englehorn, Fred Miller, Bob Dorn, and Bob Burke. Unseen at the piano is Bob Hoover. Having a little fun on the rhythm are Lynn Bower on the bass and Tom Ruddick on the drums. "Hey Kiddies It's a Ford"! Here Pat Linder is seen doing one of the many acts viewed by the students at the assembly. The pantomime "If You Don't Know I Ain't A Gonna Tell You" is a real cute little act with a catchy tune in the background.

## *There's Talent at Camelback*

"THE ANGELS" Suzi Gerber, Vonnie Gastineau, and Cynthia Datus contributed their singing talents for the entertainment of the students. The "Angels" are a newly organized trio that sing with the "Aristocrats" at assemblies and dances.

THE SOPHOMORE-JUNIOR Talent Assembly held March 27th was one of the best in Camelback's history. A variety of talents were on display for the enjoyment of all. Many tried out for the show and competition was keen. Each performer did his act with skill and ability.

We are proud to have this quality of TALENT AT CAMELBACK.

PRESENTING THEIR two-piano duet are Janet Risk and Marlen Womer. Other numbers were offered by other students. One piece played was composed by a student, a member of the Aristocrats.

LEADING THE Freshmen this year are: Patsy Porter, treasurer; Susan Quail, secretary; Bob Dorn, president; and John Eubanks, vice-president.

THE FRESHMEN CLASS had made a good start this year as their first year in high school. They have become true SPARTANS, and we are proud of them.

Their first activity was a Freshmen Mixer. This dance was held especially for the Freshmen, in an effort to get them acquainted with one another.

February 14, after a game, a Sports Dance was sponsored by the Freshmen, which the whole school enjoyed.

The Senior - Freshmen Talent Assembly was held jointly for all classes, and lived up to everyone's expectations.

## Leaders of Tomorrow

STUDENT BODY OFFICERS, Jim Sourant, President; Lu Craig, Vice-President; Yvonne Gastineau, Executive Secretary; Roberta Agnew, Corresponding Secretary; and Suzi Gerber, Financial Secretary (from the top) were really stacking things high when the photographer caught them. We're sure that among these merry things, their accomplishments as here listed were only a beginning.

They visited various student councils throughout the valley and attended meetings of the Salt River Valley Presidents and Vice-Presidents Association, which was sponsored by Camelback. The association is composed of all the student government leaders in the city.

The most time consuming project the student council participated in this year was the "Toys for Tots" drive. For weeks they encouraged the students to bring toys as contributions for the drive, which was ended with a dance called "Toys for Tots Trot". Entrance requirement was one toy per person.

These students have done a fine job this year and we all congratulate them.

PARNASSUS is an honorary society to which students with a semester grade average of 1.5 or better may join.

Members not pictured are: John Alsever, Charles Fair, Elizabeth Garretson, Janet Kirk, Roger Wiese, Peter Drake, Michael Rosen, and Donna Griffin.

## Leadership . . . Scholarship . . .

FACULTY MEMBERS chose National Honor Society members this year, as every year, on the basis of their high scholarship, constructive leadership, purposeful service, and worthy character. Being a member of the National Honor Society is the very highest honor which a high school student can attain. He is encouraged to render service to the school and to the community, and is a preferred candidate for a college scholarship and admission to college. The society has a scholarship fund with which it encourages the continuance of education.

National Honor Society members decided this year they wanted to have an activity, so they helped sponsor the "Mile of Dimes" for UNICEF in November.

SPONSORS representing the National Honor Society in the UNICEF "Mile of Dimes" are Bob Reade, Joan Johnson, and Marilyn Davis. Other spectators are Ken D'Arcangelo, John Sucato, Jim Sourant, and Stu Young.

THESE GOOD SPORTS are, Georgia Pohle, David Hurlbert, and Jay Armer, who are helping contribute to the liveliness of the second semester informal and formal initiation of Quill and Scroll.

THE MEMBERS of Quill and Scroll compose this International Honorary Society for High School Journalists. To be a member, a person must be in the upper third of his class and have worked on a school publication for at least one semester.

An initiation at the beginning of the year inducted half the members of this year's society. Another, following in February, completed the membership.

WHO SAID PUTTING out a yearbook was easy? Most people don't realize just how hard it is! Pages have to be planned, pictures arranged, and deadlines met. This is not an easy job!

It takes a staff of capable people who are willing to give up their time and extra-curricular activities. Many hours after school are put in by staff members in order to get the yearbook out on time.

Great sighs of relief could be heard for miles around at the picnic held at the end of the year for the staff. This event is looked forward to by all throughout the year.

EVER TRY TO DECIDE on a cover for a yearbook? Whew! It sure isn't easy! There were so many beautiful covers and clever ideas for a theme.

We finally decided on "a foreign exchange student at Camelback" for our theme. As you know, our foreign exchange student this year was Jacqueline de Vulpian, from France.

The idea of the cover was chosen to symbolize the meeting of our two countries.

THE BLADE STAFF is on the move. They work very hard to get the Spartan Blade out every two weeks. The Blade contains many interesting articles of the events, news, sports, and some articles of the students and faculty.

The staff may work hard but they have fun doing it. They learn many interesting things about making a good paper. By learning this, the staff has given the Camelback students a wonderful paper.

## Girls Receive Grooming Tips

Tips on good grooming and modeling were recently given to Girls' League members by Mrs. Helen Ross, a Flair School of Modeling representative.

This was of special interest to the many girls who are planning to try out for the Girls' League Fashion Show to be held March 19.

Mrs. Ross gave helpful suggestions concerning the correct way to walk and sit.

## Know Biology, College Bound Are Advised

Beware! It is advised that all students taking college entrance examinations in 1960 brush up on biology. Mr. Lorenzo K. Lisonbee, Camelback science instructor, last week attended a meeting of the College Entrance Examination Board in Princeton, N. J.

MR. RAYMOND, sponsor of the Spartan Blade, working with a veteran staff and some newcomers has put out another series of the Spartan Blade that Camelback can be proud of. He has done a wonderful job with the staff in showing the new members and old members alike how to do the job right.

## PTA Sponsors Frosh Eye Tests

Last week 500 freshmen took eye test which were given by members of the PTA Health Committee.

According to Mrs. Ruth Young, school nurse, the percentage of bad vision is very low and the number of farsighted people are few.

prove that girls are equal to boys. She proves the point by making the varsity team, which causes enough excitement to last her home town for years. Ginger even makes the cover of Life magazine!

Alice Eldridge as Ginger's mother, Mrs. Carroll, is an attractive, witty, and understanding woman, although her ideas are a little old-fashioned.

Ginger's father, played by Ronnie Briskman, is a good-natured man who always seems to be making speeches. He was a little disappointed that his last child, Ginger, hadn't been a boy. It was because of one of his speeches that Ginger decided to go out for the team.

Diane Rudduck, as Joan, and Dolly Jordan, as Jeanie, play the parts of Ginger's two sisters. They are typical older sisters and are very much against Ginger's spree on the football team.

The maid, who has been with the Carroll family for many years, is portrayed by Ellen Norton. She has always spoiled Ginger, and she is now one of Ginger's most loyal rooters.

This famous football player's boy friend, Tommy, who is a well-mannered boy, is played by Ken Ashby. The fact that his best girl is on the football team does not agree with him too well. The exact opposite of Tommy is Joan's boy friend, Eddie, played by Bill Bowen. Eddie, a big man, on campus is a rowdy.

HERE ARE SOME of the staff members on the job. They are preparing the articles, headlines, and ads that will be printed in the next issue of The Blade. These working members are: Darene Henry, Freda Sarten, Judy Edmondson, Carol White, Jerry Wiese, Georgia Pohle, Judie Genoe.

TAKING TIME OUT from a busy day these hard working Spartan Blade Editors are: Standing: Peter Rose "News Editor", Russell Sowell "Photo-Editor" and Michael Rosen "Sports Editor". Seated are Robert Reade "Editor-in-Chief" and Jeanne Taylor "Feature Editor."

## PU Officers Attend Council

Phoenix Union's student body and class officers visited Camelback last week and met with the Student Council. The student governments of both schools were discussed.

The gym, while being decorated for the Carnation Ball, was the scene of much bustle and excitement.

Ann Stonehouse, Mary Walker, Lucette Rojeck, and Mary Hershey are busily engaged in serving at the Faculty Tea.

Two of the winners of the Color Day contest are Maureen O'Neil and Spencer Cornelison.

CAMELBACK HIGH'S Girls' League is the 'biggest and most active club on campus. They sponsored the Color Day celebration Nov. 15, putting on a skit during the assembly and giving the dance after the South - Camelback game. On Nov. 23, they sponsored the annual Carnation Ball. This year the theme was "Emerald Mist," and blue - green hues decorated the gym. Later, on Dec. 19, they put on the Faculty Tea in the Drama Patio.

On Feb. 11, Mrs. Ross, from Flair Modeling School, came to Camelback to instruct Girls' League members in modeling. They were preparing for the annual fashion show March 19, which was sponsored by Hanny's, and featured teen-age fashions for boys and girls. In April, the annual money-making month, the competition was keen among the four councils. Each one put on project after project, vying for the prize to wind up the 57-58 year with a bang.

Mrs. Ross, from Flair Modeling School, speaks to the League officers, Susan Finley, Linda Johnson, Alice Hailey, Joyce Crawford, Sally Armie, Mary Dangerfield, and Lucette Rojeck.

Carole Finch, Gayle Gerrard, Mary Ellen Ross, and Frances Ashley work on posters for the fashion show, "Caliente Fashions".

THE OLYMPIAN HI-Y started off a very successful year with Ivy League Week, which ended with the Ivy Slide Dance. Both the Ivy League week and the dance were huge successes. Next, they sponsored a Christmas family, and presented a scrapbook to the school during the Christmas season. Shortly after the first semester, Olympian obtained club jackets and pins, and helped put on the Annual Sweetheart Ball in co-operation with the other Hi-Y's and Tri-Hi-Y's.

The Gladiators were the first club on campus to get club jackets. Later in the year they helped to present the annual Hi-Y, Tri-Hi-Y Sweetheart Ball.

QUO DEO sponsored a "Mile of Dimes" to collect money for the polio drive. Ann Rasmussen is asking students for their dimes to put on their class tape.

## They Choose . . .

### Quo Deo Tri-Hi-Y

QUO DEO HAS COMPLETED the year with many worthwhile service projects to their credit.

At Thanksgiving time they gave food and clothing to the Valley of The Sun School for handicapped children. The club brought Christmas cheer to many by helping with the "Toys for Tots" campaign and by presenting an adopted family with food and clothing.

Quo Deo collected \$113 at the "Mile Of Dimes" for the "Teens Against Polio."

They have sewn emblems on the uniforms of a sports team, had joint meetings with Hi-Y's from Camelback and other schools, and in March the club was formally inducted at services at the YMCA.

The Quo Deo officers spent two days at the Sky Y Camp in Prescott to learn more about the different duties of each office.

The club plans to keep up all the good work by having meetings throughout the summer.

### Tri Tanda Tri Hi-Y

TRI TANDA, one of the most active Tri Hi-Y's on campus, boasts a long list of service and social projects accomplished during the school year.

They painted and cleaned the Perry Institute for mentally retarded children, helped in the Easter Seal drive, and were active in the "Toys For Tots" campaign. In addition, the club participated in the Campus Clean-up, UNICEF Halloween Drive, served at the Basketball-Wrestling

## Okihi Tri Hi-Y

THANKSGIVING DAY was truly a Thanksgiving Day for the needy family that the Okihi Tri-Hi-Y aided by taking them food and clothing. At Christmas time, the club, under the sponsorship of Miss Owens, went caroling and brought Christmas cheer to all those who heard them.

In order to build up the club's treasury, the Okihi'ers had a bake sale on February 13 in Park Central, which turned out to be a huge success. For their own entertainment, after working so hard, an ice skating party and a gym night were held in the spring.

Members of Okihi Tri-Hi-Y were officially inducted on February sixth at the YMCA. Since most of the club's members are Juniors, Okihi is looking forward to another successful year.

WORKING AT Samuel Gompers Clinic, dying Easter Eggs for the Crippled Children's Home, adopting a Christmas family, and passing out posters for the Easter Seal Fund were just a few of the outstanding service projects performed by Tri Koren Tri Hi Y, under the sponsorship of Miss Banker.

In February, a swimming party was held at the "Y" for all old and prospective new members. Official induction into the club took place on March 27.

In order to add to their treasury, the club sold "Sparky Spartan" pins for students to wear at the big games. The group also sold tickets for the Square Dance Festival.

At the end of the year, Senior members leaving Tri Koren were given a farewell party by the Juniors.

ONE OF THE MANY activities of Tri Koren this year was a swimming party at the "Y" for all prospective, associate, and regular members. **Front:** Peggy Page, Pat Edmonson, Fran Anderson, Jo Pavlet. **Background:** Pat Pesley, Paula Timmons, Georgia Shrewsbury.

KEY CLUB is a service club sponsored by the Kiwanis Club for boys who do outstanding work or take part in school activities. This year has kept the boys very busy.

As a service project they sold peanuts to raise money for under privileged children. Key Club also satisfied everyone who had a sweet tooth when they sold bars of chocolate candy. For the bright people in the crowd, they had a light bulb sale. The proceeds were contributed to the foreign exchange student. They were also the originators of the student of the week awards.

Officers who kept the club running smoothly were: President Ken Harris, Vice-President John Myers, Secretary Peter Drake, Treasurer Bob Wheeler.

SPAR-TEENS, a Y-teen club of the YWCA, started out their year by having an initiation for the new members at a Halloween Costume party. Ghosts, corpses, and black cats helped make the hilarious evening complete.

The "Hep Hop" sponsored by the Spar-teens after the North High-Camelback basketball game was the financial success of the year for the girls.

An annual campaign sponsored in the spring to raise money for the foreign exchange student was called "Share the Fare."

For the entertainment of the members every year the girls have a slumber party at Rosemary Lodge. Midnight snacks, weinie roasts, a fashion show, and contests made a full evening — and night! We hear via the grapevine that the boys wish they could attend.

# Teachers of Tomorrow

FUTURE TEACHERS of America is one of the most recently organized clubs on campus. Determination to succeed and the satisfaction of a career well chosen, mark the enthusiastic members and their sponsor, John A. Black, mathematics instructor. Though the organization is yet very small, it has high hopes of some day being one of the best on campus.

Future Teachers of America is beginning a new program next year by which senior students may help freshman teachers with their classes, and thereby learn for themselves the basics needed to become a good teacher.

# They Argue Well

"THIS YEAR'S DEBATE teams were the best we've ever had," says Mr. George Pollard, teacher of debate at Camelback. They participated in the Arizona State Forensic Tournament where they went through the semi-finals and into the finals against each other. The teams debated at various high schools and grade schools and traveled to the University of Arizona to debate the issue of foreign aid.

Having a very successful year, the debaters are looking forward to next year, which they feel will be even better than this past one has been.

SANDY CARTMELL, one of the members of the club, was elected State Degree Chairman at the State Convention of all F.H.A. clubs.

The club has over thirty enthusiastic members, all interested in homemaking and performing service activities.

A FOUR DAY TRIP to Hermosillo, Mexico was an exciting experience for the Spanish Club this year. In addition to a gala Christmas party, the Spanish speakers furthered their knowledge of the language by attending several Spanish movies, and rounded out a successful year with their annual picnic.

WITH THE FORMATION of the French Club this year, many students had a chance to improve their understanding of the French language. Hearing talks by our French exchange student Jackie de Vulpian and exchange student Phil Cords from North High, plus hearing French recordings, highly benefitted the French speaking members.

SPARTANS SHOWED their political spirit by going to the polls to vote for the candidates they thought most capable of holding the offices of next year's student body.

## *Vying, Voting, Victory*

ON MARCH 12, Spartans began circulating their petitions for the student body offices for next year. On the 17th, posters were showing in various places on campus. Politics was in the air when Spartans went to the polls on March 21 for the primary elections. Hopefuls entering the election were, for President, Buzz Federson, Mike Rosen, and Peter Drake; Vice President, Teddy Muzzy, and Yvonne Gastineau; Corresponding Secretary, Diane Lichty, Karen Kraemer, and Roberta Agnew; Financial Secretary, Mike Emmett, Don Graves, and Jan Glover; Executive Secretary, Sherry Harper, Mary Hershey, and Betty Lou Mills. CONDUCTING FOR ONE of Camelback's most talented groups is Mr. Peter Frajola, director of the Orchestra. This year, along with various other activities, they have given one of the most enjoyable concerts presented at Camelback. Although many students at Camelback really don't appreciate long hair music, the orchestra seems to have a way of putting it over that pleases most of them.

THE CAMELBACK High Marching Band, one of the finest in the state, has helped to raise the spirit at many of the afternoon and evening games.

They played for our pom pom girls during half time at many of our football and basketball games, and during several of the assemblies.

They also held their annual Spring Concert before school ended and everyone that went enjoyed it.

On February 27, they held their annual assembly and as usual it was very good. They played popular and semi-classical music for the enjoyment of all listening.

## Speech and Drama are Their Lines

MASQUE AND GAVEL is a club for students of drama and speech. The mask of the theater and the gavel of speech are the symbols of Masque and Gavel.

This club sponsored all the plays that Camelback High School gave throughout the year. The agenda of Masque and Gavel included viewing behind the scenes of a television studio and having well-known speakers come and speak about the techniques of drama and speech. Members previewed the plays and gave a "pep" rally for the students entering Rotary. **Bottom:** The officers of Masque and Gavel are: Dee Rudduck, Secretary; Jan Hoeksema, Treasurer; Naomi Oglesby, President; and Beverly Young, Vice President.

## 'Ginger' All - Star Football Player

"TIME OUT FOR GINGER", a lovable comedy, was presented February 28th through March 1st. Ginger, the star of the show, is a 15 year old girl who tries out and wins a position on her high school football team. You can imagine the situations which arise from that moment on. In this scene, Ron Briskman, playing the father, is talking to his problem child Ginger, played by Bo Bodine. Ginger's father is trying to convince Ginger that she can't do everything that a boy can. Ginger answers, "But Father, in the speech you gave today in school, you said that men and women are all created equal."

ALICE ELDRIDGE (*above*), the mother of Ginger, is talking over recent happenings in the family with Diane Rudduck, the oldest sister. Diane is explaining her problem, the role of leading lady in the high school play; a role she has and doesn't want!

IT SEEMS THAT EVERYONE has to get into the act. Ginger's boyfriend Ken Ashby, the studious type, tells Ginger he wants a lady for a girl friend and not a football player. Ron Briskman and Alice Eldridge watch with interest as Ginger informs Ken that Men and Women are created equal and she can do anything a boy can do, maybe even better. Despite all obstacles, Ginger makes her family and friends proud of her.

Tuesday of every week, all members of R.O.T.C. wear their full dress uniforms to school.

Last December the R.O.T.C. participated in the annual "Toys for Tots" drive sponsored by the Marines. With their help this drive was very successful.

### *The Girls With Letters*

MANY GIRLS WAIT for the day that they will win a letter. These girls have realized their dream by receiving enough points from G.A.A. The girls have to take an active part in many extra-curricular sports in order to obtain these points. These lucky girls are, **Front Row:** Diane Voorhis, Donna Anderson, Judy Wise. **Back Row:** Eileen Folmer, Sharon Washburn, Gloria Zellner, Margaret Hobbs and Betty Jean Merrill.

TOM SASSER helps to control the rush of students to the cafeteria at noon hour.

THE LETTERMEN of Camelback have been very busy this year. Their main activity has been patrolling the area around the cafeteria during both lunches. They prevented students from running, pushing, and shoving in the lunch lines. Because of this, Camelback's noon hour has changed from a stampeding herd of students to a calm, business-like bustle.

The Lettermen have also added many new members to the club. Only those boys who have shown real interest and sportsmanship have been allowed to enter. We are very proud of both old and new members.

SHERRY DWYER, Lee Harper, and Alice Eldridge are hanging up one of the many posters they made this year on keeping the campus clean.

THE PEP CLUB has been busy from the beginning of the school year. They have had more projects than just about any of the other clubs on campus. The biggest project has been the assemblies urging attendance to the track meets and the baseball games. They have had assemblies which have been a combination of trying to induce the student body to go to the baseball games and the track meets.

They have also been very active in the "Keep The Campus Clean" theme. The many posters they have put up have helped very much to urge the student body to throw trash into the trash cans.

# *And . . . Away We Go!*

THIS YEAR THE CAMELBACK Ice Skaters Club is celebrating its second birthday. Starting from a small membership in 1956-57, this club has almost doubled its enrollment.

The members meet every week at school, and every other week drive to Iceland where they enjoy the refreshing environment and the cool, smooth ice.

Some of these members, at the first of the year, were mere beginners, but have advanced a long way since then toward better control and enjoyment.

# Let Her Roll!

THIS YEAR, Camelback's Junior League Bowling Club came near to "Bursting" its seams with new members. Compared to last year's 30 members, the 100 members mark, this year, was astounding! For this reason, there are two leagues. The American League bowls on Thursday and the National League on Tuesday. Both clubs play regular Saturday tournament games in interscholastic competition. A majority of these tournament games have been won by the Camelback Bowling Teams.

ARE YOU BOWLING for strikes? She is! The young lady is Sherry Harper, treasurer of the American League.

"BEYOND RETURN" was the title of the spring festival put on by Orchesis this year. The story was of a man traveling through space looking for the perfect planet. He visited all the planets — from the beautiful Venus to the red, war-like planet of Mars.

All the choreography for the festival was done by the students themselves, with the help of Miss Cook.

In the circular picture above going clockwise from

In the pictures above some of the members of Orchesis were practicing on the lawn for the spring festival.

The school is equipped with various types of flying craft, including eight Aeronca Champions, two Cessna 140's, and one SNJ.

# Safety Education

THIS YEAR'S Safety Education students are, reaping the benefits of the facilities available to them. The course is based upon three main subjects: drivers education, learning the rules of safe driving; civil defense, preparing themselves with the necessary information in case of emergency; first aid, learning the simple practices in case of accidents. This course is planned in an effort to teach each student how to be a better driver and pedestrian, thus a better citizen.

IN THIS PICTURE, learning the rules of safe driving in their class room training are: Alice Weaver, Brenda Knapp, Glenda Wiggins, John Walling, Mike Boykin, Keith Godbold, Frances Sharp, Joan Norris, and Barbara Faust.

## *Color Day Award Winners*

HERE, Mary Dangerfield hands out the awards given to the best dressed Spartans of Color Day in the Color Day-Pep Assembly held in our gym in November. Winners were: Sharon Habib, Janet Henry, Pam Dyer, Judy Leech, and Maureen O'Neil.

## *Merry Christmas!*

DURING the week before Christmas, the student body presented its annual Christmas assembly. Entertainment was furnished by the A Cappella Choir. There was a reading of the Christmas story and of course . . . Santa Claus.

## *Beat South!*

IN FEBRUARY, loyal Spartans supported their team at the last home basketball game of the season. A pep assembly was presented to the student body during the same day. Here, Joe Bechtol portrays Zorro, the villainous mascot of the Rebels.

## Science on the Move

OF ALL THE numerous assemblies Camelback had this year, one of the most educational and interesting was given by the research division of General Electric Company. A representative demonstrated new developments in several different fields—including a look into the future!

## The Queen...?

EACH YEAR, Camelback has to make the hard decision of choosing which boy and girl is to be that year's Homecoming King and Queen. In an assembly in October, the candidates were presented to the student body. These lovely beauties vying for the title of Queen are: Linda Amos, Mary Lou Campo, Lu Craig, Suzi Gerber, Carol Gugliotti, and Joan Johnson.

## The King...?

AT THE SAME assembly, the candidates for king were presented. Nominations were made, not only for looks, but for leadership and their participation in school activities. These handsome specimens are: Eddie Spicer, Jim Sourant, Bob Reade, John Myers, and Ken Harris.

THE POM-PON GIRLS and Cheerleaders help to head the line of ardent rooters after assemblies on Color Day, November 15.

AND CAMELBACK'S Pom-pon girls are perfect! They've shown their bright and smiling faces at football and basketball games as well as assemblies and on campus. With Carol Gugliotti as their captain, these perky, hard-working girls have kicked and pranced their way through the 57-58 season.

CAMELBACK HIGH wouldn't have its wonderful reputation for school spirit if it wasn't for our peppy cheerleaders. Their enthusiasm for Camelback and the boys on the team has boosted the morale of the whole student body. They have done a wonderful job.

THE POTENTIALITY of the Spartans cannot be equaled by this line of West High Thunderbirds. The Spartan's line is supported by Larry Colquette, Ed Spicer, Sonny Mott, and Joel Myers.

ED SPICER brings down a Glendale Cardinal with the assistance of John Power (59), Con Englehorn (80), and Bob Wheeler (65).

THE CAMELBACK VARSITY football team started their 1957 football season at Phoenix College against an impressive West High team at 8:00 P.M., September 27th. West took the lead with thirteen points in the first fifteen minutes of the first quarter. In the next two quarters West gained seven more points. Camelback completed a number of pass plays and there were numerous penalties against each team. The fourth quarter brought Camelback the only two touchdowns of the game. Outstanding players of this contest were Eddie Spicer and John Power. Final score was Camelback 12—West 20.

GLENDALE WAS the next game site for the Spartans. The Cardinals made the first touchdown, but were deprived of it because of an offside penalty. The Spartans ran for their first touchdown in the first quarter. Glendale followed by getting their first. School spirit was high in the first quarter. Again in the second quarter, Camelback made six points. The end of the third quarter brought a drop in the Spartans school spirit. Jim Sourant and Eddie Spicer were the outstanding players. The final score was, Camelback 12—Glendale 34.

AT MONTGOMERY STADIUM, home of the Phoenix Union Coyotes, Camelback's victory seemed to be evident until the the end of the second quarter, when the Coyotes staged a remarkable comeback. Injuries were numerous in this game. Final score, Camelback 12—Phoenix Union 31.

AGAIN AT NORTH, Camelback lost to a confident Scottsdale Beaver team, which fought its way to its first victory in Class AA competition. A decisive factor in the downfall of the Spartans seemed to be due to fumbles. Final score, Camelback 6—Scottsdale 20.

ONE LONE SPARTAN, John Power (19), is overpowered by a pack of Coyotes.

JOHN POWER (19) is ready to give assistance to Jerry Schmuhl (23) as they gain ground against the Scottsdale Beavers.

A GOOD TACKLE is made by Ken Harris (34); Bob Wheeler (25) is close behind.

A MUDDY PLAYING field doesn't hinder the running ability of Jerry Schmuhl (23) as he gains yardage against the North High Mustangs.

OCTOBER 24th marked the fourth meeting of the Camelback Spartans and the St. Mary's Knights. Camelback lost possession of the ball in the first quarter and St. Mary's ran for a T.D. There were several completed passes by Camelback in the first two quarters. Another touchdown in the third quarter by St. Mary's brought the total to fourteen. Final score was Camelback 6—St. Mary's 14.

THIS WAS OUR home game played at North High against North High. At this game during halftime the Homecoming Queen was crowned. The North High Mustangs kicked off and ran for two touchdowns in the first quarter, good for 12 points. During the second and third quarters North added 26 more points to their score. At the kickoff of the last quarter of the game, Camelback got their first 6 points and another T.D. at the end of the game. End of the game score was, Camelback 12—North 43.

THIS GAME WAS played in Mesa against a powerful Jackrabbit squad. More pass plays may have helped Camelback in this game. The end of the game score was Camelback 24—Mesa 51, and left Camelback downhearted for a forthcoming Spartan-Rebel clash.

BY THE TIME the South game rolled around, Camelback was completely disgusted with its past seven losses; and was determined to win this final game of the 1957 football season. For the second year in succession, however, South High has retained possession of the Spar-Reb trophy. Final score was 37-7.

BOB FENNER (74) seems to have no way out as he is trapped by two Mesa Jackrabbits.

A SOUTH Mountain Rebel is downed by Ken Maddux (11) and Bob Fenner (31).

FRONT ROW: Tom Beauchamp, Larry Colquette, Bob Wheeler, Dick Henry, Ken D'Arcangelo, John Kovash, Ed Spicer, John Sucato, Bob Hubbard, Jay Murphy, Roger Graham, Jim Baylor. **Kneeling:** Jerry Schmuhl, Dale Burk, Tom Ford, Jim Minard, Tony Tutrone, Mike Dircks, Bob Fenner, Sonny Mott, Denis Fuller, Roger Snider, Dan Anderson, Jim Sourant. **Standing:** Tom Sasser, John Myers, Bob Fedderson, Bob Bramlet, Con Englehorn, Bill Bowen, Don Phillips, Russell Glick, Joel Myers, Hank Pyhel, Gary Burson, Ken Harris, John Power, Gary Walston, Ron Herrick, Manager.

## Varsity Footballers

Coach Bob Ruman

"NO VICTORIES but lots of pep" is the story of our most disasterous football year. We can of course claim a "perfect win-loss score card! Beginning the year with a green team, much credit must go to coaches Bob Ruman and John Hughes for their never-ending ability in teaching their players the best playing techniques, and most of all, the outstanding sportsmanship that these Spartans have displayed in every game in which they have indulged. A few of the players whose accomplishments deserve commendation are Eddie Spicer, a backfield man, who is a senior, and although small, really packs a lot of action into his uniform; John Power, a quarterback, who is a junior, seems even more promising for next year; Jerry Schmuhl, a halfback, who was usually seen carrying the ball, did very well this year; Ken Harris, an end, helped Camelback in their passing plays; Jim Minard and Jim Sourant, both seniors, sure could hit that line and bring down their opponents; Bob "the toe" Bramlet, also a senior, after numerous attempts, finally came through with a good kick. Joe Valdez, who has been the equipment manager at Camelback the past three years, has been like a father to every player. Joe would probably say something like "WAIT UNTIL NEXT YEAR" if asked about the 1957 football season.

Coach John Hughes

ARRIVING ON SCENE are Ken Harris (34), Joel Myers (49), Jerry Schmuhl (23) to retrieve our ball from a St. Mary's player in the middle of the players.

FRONT ROW: Tom Beauchamp, Bob Barber, Larry Harris, Ken Fisher. **Second Row:** Coach Leon Jordan, Bruce Yenerich, Sam Grova, Dick O'Clair, Paul Connolly, Keith Godbold, Paul Faulkner, Jon Ketzler, John Morton. **Third Row:** Robin Dezember, Lyn Omen, Mike Wood, Bill Morrow, Dick Cawley, Larry Burson, Dick Henry, John Awalt. **Back Row:** Everett Bateman, Jim Vallas, Charlie Gercke, Ken Doyle, Tom Brewer, Jack Stauss, Coach Bill Mann.

THIS YEAR MARKED the debut of the Camelback FRESHMAN "B" Football team. Mr. Russell Jacobs, a mathematics instructor, helped out this year and coached these young prospects for the Varsity gridiron. Considering that this is the first year Freshman Pee Wee football was attempted, they did remarkably well, and if they do as well in the future we may have a very good team when they reach Varsity status.

## Varsity Basketball

CAMELBACK'S 57-58 BASKETBALL SEASON started on Friday, December 13, 1957. Considering the stiff competition and the fact that most of the players are newcomers to the Varsity squad, this has been a very successful and highly

exciting year. On the following pages are pictures of each of the players, the coach, the managers, and a few of the games. There are also facts and figures on each of the eighteen games.

LEFT: John Power (24) blocks a shot being made by Daurnivich (6) in the Mesa game. **Middle:** John Power (24) is circling around Mass (23) in order to get the ball closer to the basket for an easier shot in the game we played against Phoenix Union High School. **Right:** Buddy Clark (15) makes a good shot over Pedella's (32) head in the Phoenix Union game.

OUR BASKETBALL SEASON started on Friday, December 13, 1957. By halftime we were ahead of Mesa, 25-6; and by the end of the game we had raised that score to 51-15. Harris was our high scoring man of the night with 15 points.

The next night, Saturday, December 14, we played Catalina. But this time victory wasn't so easy. At the end of the first half they were ahead, 17-21. But this was not the end! With the help of our high scoring man, Hank Phye, who scored 12 points, we ended the game with a victory of 38-37.

Friday, December 20, we played Phoenix Union. By the first half of this game they had us trailing 17-25. Even with the help of our high scoring man, Harris, with 16 points, we could not pull out of it and sank back into defeat of 49-35.

At the beginning of January we played two Christmas basketball Tournament games. One was a victory for us over Tempe, 44-24. This was with the high scorer, Wahlin with 10 points. But the other game was a disappointment. The next night we played a game with Sunnyslope and, even with the 15 points Harris made, lost it 31-39.

AFTER THE CHRISTMAS tournament, Camelback got back into the swing of things via a game with Scottsdale, Tuesday, January 7. The team played with everything they had and by the end of the first half, the score was 21-11, our favor. With the help of our high scoring man, Wahlin, who made 13 points, we ended the game with another victory. The score was 45-32.

On Friday, January 10, we played North High with winning results. Camelback was ahead 22-10 at the end of the first half, and with Phyel's contribution of 13 points, the game ended with a victory of 56-40.

On Tuesday, January 14, Camelback played St. Mary's in our gym. The score was 13-13 at half time. By the end of the game, with the help of Phyel's 16 points, Camelback managed to pull ahead and made a victorious ending of 45-34.

On Friday, January 17, we played South Mountain, the hardest of our victories. The boys fought hard only to see the score flashing 25-29, South holding the lead at half time. Camelback then came back fighting the second half and switched the score around until the game ended 53-50, our favor. This couldn't have happened without Phyel's 7 points for free throws.

THE SECOND GAME of the season was played against Mesa, Wednesday, January 22, at Mesa. The Spartan five didn't do as well this time. By half time, Mesa was ahead 17-27 and, even with Power's 10 points, we were beaten 48-30.

Friday, January 24, we played West Phoenix and had a tie of 22-22 by the end of the first half. But, with the help of Phyel and his 11 points, we won the game 43-40.

On Tuesday, January 28, we lost our third game, this time to Phoenix Union. Even with Harris's contribution of

13 points, P. U. was ahead at half time with a score of 16-21 and climaxed the game with a score of 38-40.

On Friday, January 21, we played our closest game of the season; this one was with Scottsdale. A tie of 16-16 at the half, a tie at the end of the game, and a tie again in overtime, made this a game to remember. With the backing of hundreds of Camelback students and with exceptional skill by the players, the game ended with a score of 43-40, our favor. Phyel scored 11 of the 43 points.

ON TUESDAY, February 4, we began our losing streak. We played North High and were trailing 23-25 at half time and at the end of the game with a score of 46-47. Clark was our high scoring man with 14 points out of the 46 points we made.

On Saturday, February 8, we lost another game; this time to Pueblo. We had them at half time 25-16, but at the end of the game there was a tie. After the overtime the scoreboard showed Pueblo had won 54-47. Power was our high scoring man with 16 points.

On Friday, February 14, we lost the third game of our losing streak to South Mountain. They led through the game with a half-time score of 22-17 and an ending score of 45-33. Power made 12 of our 33 points.

On Saturday, February 15, the repeat happened with Tucson. The halftime score was 28-20 and the ending score was 57-39. Harris was the high scorer with 14 points.

The last game of the season ended in defeat with West High. The Thunderbirds led all through the entire game with a half time score of 26-22 and ended the game with a score of 57-47.

THE JAYVEES had a very impressive record this year with 13 wins and only 3 losses. The three games lost were hard fought and close. The Junior Spartans lost both Mesa games and the second Phoenix Union game by narrow margins. Their winnings were many and their sportsmanship was great. Another team added to the Camelback list of greats.

## Varsity Sluggers

AS THE YEARBOOK went to press, the Varsity Spikers were just beginning a full schedule with a 1-3 win-lost record. They lost their opener to the young Carl Hayden team, 4-5. Next they traveled to Scottsdale only to be beaten again by a tough team 1-4. The following week

they scored an overwhelming 15-2 win over our arch-rival, South. At home again, they were beaten by the Thunderbirds of West, 2-8, in the last game before press time.

THIS IS THE FIRST YEAR of track for many of the varsity track boys, but this looks like a very promising year. We have lost many good boys in graduation, but have gained some very good prospects in the process. Every boy who has joined up with the team and shows interest and ability will make a varsity letter; and from the looks of things, there won't be a boy who joined the team who will not make a varsity letter. The whole school body, as well as the coach, is very proud of the team.

TOP ROW: Tom Whitelock, Al Henshaw, Jim Baylor, Russel Glick, Bob Fike, Jay Murphy, Coach Jordan. **Middle Row:** Les Arnold, Rusty Carney, Fred Ward, Dick Hennessey, Gary Baier, David Nelson. **Bottom Row:** John Heffron, Fred Miranda, Wendell Coats, Jerome Hannaman, Mike Emmett, Bill Morrow, Larry Burson.

## *J. V. Tracksters*

JIM BAYLOR leads in the low hurdles with Wendell Coats coming in second in a J.V. meet with Phoenix Union.

THE J.V. TRACK TEAM has gotten a number of first year members who look very good. The first couple of games have been very good, and the long range outlook for the J.V. Track Team looks excellent. The boys have worked hard in training and are now in good shape. Everyone on the team looks as though he will get a J.V. letter in track. The coach has worked the boys hard, and is now talking very highly of them. The student body and the coach have a right to be proud of the team.

TOP ROW: Coach Fuenning, Leon Peters, Paul Ross, John Johnson, Mel Rathke, Bob Evans, Carl Menki, Gary Shaffer, Dennis Shoeman, Tom Boyer, Jim Ward, Mr. Jordan. **Middle Row:** Ron Snider, Gil Awalt, Curtis Englehorn, Larry Hall, Jack Hancock, Paul Amadio, Art Reade, Sam Gale, Ray Hammond, Jerry Hauser, David Jeffers. **Bottom Row:** John Norris, Don Duxbury, Ted Pohle, Doug Smith, Gary Bullard, Hal Stephens, Ken Faseler, Paul Shelton, Jim Ausloos.

## *First Year Tracksters*

HERE, DON DUXBURY is making a broad jump of the type which helped rack up points in a meet with Phoenix Union.

THE FRESHMAN TRACK TEAM has had a very good turnout this year. They have had about thirty people who have made the team. The coach has worked the boys very hard, but every one of them has stuck to it and is in top condition for the meets. The coach, as well as the whole student body is depending on the boys, but we all believe that they will do their best. We are all proud of the whole team.

**BOTTOM ROW:** Doug Bufis, Danny Fraijo, Danny Gosnell, Rolf Arndt, James Gault.  
**Top Row:** Coach Black, Larry Garten, Tom Jenkins, Larry Allen, Bill Neill, Russel Mosser.

## *Racquet Squad!*

## *Pro Golfers?*

THE RACQUET SQUAD takes a break to pose for a picture in the midst of a busy season. Meanwhile, our busy Spartan Golfers are learning a few new techniques from their coach, Mr. Frajola.

Both of these teams have been very successful in defeating most of their opponents so far in this season. We would like to extend a hearty congratulation to them for their past victories, and to wish them good luck for the future.

WATCHING THE BALL are Dick Henry, Clay Boyer, Tom Whitelock, Coach Frajola, Paul Spence, Jerry Schmuhl, and Curtis Oswalt.

BOTTOM ROW: George Barber, Ara Eloian, Ronald Zamora, Ronald Ramseyer, Richard Cawley, Bob Hubbard, Denis Fuller, Ronald Wells. **Top Row:** Coach John Hughes, Lester Loops, Larry Stanton, Mike Matousek, Sonny Mott, Joel Myers, Larry Colquette, and Sam Grova, manager.

## *Varsity Scrappers*

RONNIE RAMSEYER looks as though he is in trouble, but the referee is actually counting his opponent from Phoenix Union down.

THE VARSITY WRESTLERS of Camelback had a very fine year in 57-58. The team had many fine men who did very well in the State Tournament piling up many advancement points. The Camelback varsity wrestlers finished in sixth place out of twenty three teams entered in the State Tournament.

BOTTOM ROW: Jon Ketzler, Bob Wagner, John Awalt, Harry Denman, Lance Morris, Top Row: Coach Hughes, Keith Godbold, Ken Renner, Ronald Orr, Larry Miner, Jim Loops, Val Robichaux, Larry O'Clair.

## *J. V. Scrappers . . .*

JIMMY SMITH, although you may not be able to tell it, is winning a match with one of Phoenix Union's J.V. boys.

THE J.V.WRESTLERS did as well as, if not better than, the varsity team. The J.V. team racked up nine wins to only four losses. They beat every one of their opponents at least once during the season. Although they do not keep track of how the J.V. team holds up against their opponents, we feel that ours was one of the highest ranking, if not the top. Bob Wagner was the only one of the boys to go through the whole season undefeated. He was not only a good J.V. man, but he also took over for one of the varsity men in the State Tournament. Needless to say, he made a varsity letter.

JACKIE enjoyed her classes and the classes enjoyed Jackie.

PETER ROSE said the diagram was right, the rest of the class was not so sure.

## *The Academic Side of our School Life*

FREQUENTLY NEGLECTED in yearbooks because of the difficulty of picturing class work, it is still the most important, in fact the reason for our school. Each student remembers the things he has learned long after the sadness of a last game has been forgotten.

## .. *The Magic of Numbers*

MR. FRANK ANDERSON, Solid Geometry instructor, had his students make models for their semester projects. These models were on display in the library from March 28 through April 7. They consisted of intricately fashioned pyramids, cones, spheres, and skew quadrilaterals. Many interesting books on the subject were also on display.

## *Precision and Accuracy – Perfection!*

**Left:** Joel Myers and Leon De Marce work on their projects in Woodworking class. **Right:** Benny Graham and Dale Ship put the finishing touches on a chest in Woodworking class.

## *We Learn about Life . . . .*

WORKING ON BIOLOGY projects from the biology department are Nita LaFitte, Ellen Roca and Randy Ware (**upper pictures**).

Students may choose any project they are interested in and during their spare time, come into the lab and experiment. Randy is working to show effects of gibberellic acid and indol-acetic acid, common plant hormones, on ordinary plants such as peas and beans.

The purpose of Nita's project is to determine the effects of a bread and water diet on white rats. She has caged up two rats, feeding one on the regular nutritional diet and the other on strictly bread and water. These, at the end of a certain length of time, will be carefully compared and weighed, although you can already see the comparison.

Ellen Roca, a sophomore, is breeding *Drosophila* or Fruit Flies genetically.

She is crossing them under special conditions and carefully calculating the results. She and Rose Ingraham have their goals set to produce a one-eyed fly.

Juniors, Jane Fisher and Sherry Kingery, (**below**) are applying nicotine applications to the skin of white rats to determine if cancer can be caused by excessive use of tobacco.

Wesley Press and Mike Rosen are among the many attending the night classes of advanced biology taught at Camelback. The students buy their own materials since this is a non-credit class. It's composed of students willing to learn more about biology and who are willing to give up their spare time at night.

## ... and Apply What We Learn

WORKING ON THEIR new instrument (**above**) are Jim Allen and Lew Kruglick. The instrument is a Pyroheliometer which measures the sun's radiation.

Jim, at the world's first Junior Solar Symposium, of which Lew is the chairman, won first place in special applications of solar energy.

Marilyn Davis and Joan Johnson are holding two of the rabbits they have injected with diethylstilbestrol and estrogen hormones. They are trying to determine whether or not this will affect the internal organs of the animals. Also they are comparing the weight of the rabbits.

Experimenting on how pepsin acts on Proteins are, from Mr. Jordan's biology class, Pat Poplawski, Linda Fike, Kathy Elliot, Jeannette Williams, Frances Fish, and Claudia Boyer (**below**).

In this experiment, cooked egg whites were placed in a test tube with pepsin and strong hydrochloric acid to produce peptones. These peptones were indicated by a violet color.

Working in Mr. Coffey's chemistry lab is Ed Morgan and Norman Thompson (**also below**).

They are doing fractional distillation of crude oil. Already they have produced gasoline, kerosene and other oil derivatives.

ONE OF THE GREATEST honors that can be given to a Junior student is the opportunity to attend Girls' State or Boys' State. Representatives are chosen on the basis of leadership, character, honesty, scholarship, and courage. For the first time, the students of Camelback have as many as four girls and six boys representing them at Girls' and Boys' State. The girls will meet in Tucson and the boys will meet in Flagstaff.

The purpose of Girls' and Boys' State is to bring a knowledge of the fundamental principles of American government, through actual practice, to the girls and boys of Arizona. We wish our representatives from Camelback the best of luck in certainly one of the most interesting and worthwhile experiences they will ever have.

UPPER PICTURE: Representatives to Girls' State, Mary Dangerfield, Vonnie Gastineau, Bo Bodine, and Teddy Muzzy are receiving certificates from Mrs. Doucet. **Lower:** Alternate representatives to Girls' State are: Sally Armie, Karen Kraemer, Jan Glover, and Diane Lichty.

## Youth Governs Our State

THESE BOYS will be representing Camelback at Boy's State this year. **Front Row:** Don Graves, Charles Young, alternate, and Mike Rosen. **Back Row:** Peter Rose, alternate, John Power, Buzz Fedderson, and Eddie Gilbert. Also representing Camelback is Peter Drake, not pictured.

## *There Are Many Aids . . .*

ALL LEARNING is not done in the classrooms and two of the more important aids to education are found in the library (above) and in the audio-visual department. The library of 11,000 volumes serves 600 to 800 students per day. Displays of ceramics, mathematical models, art, industrial arts, foreign language, or United Nations are nearly always on exhibit. Files of pamphlets, pictures and career booklets are popular parts of the library files.

Another busy division of the school is the audio-visual aids department (below). Forty-one boys and fourteen girls aid Mr. Miller and Mrs. Starr in showing more than fifteen hundred films and film strips yearly, operate the public address system at games, parties, concerts, plays, programs and other functions as well as make tapes, operate recorders and players and opaque projectors.

## *Around the World in Assembly*

FOREIGN EXCHANGE students from France, Austria, Portugal, Norway, and Switzerland combined their talents with the talents of our own students to give us one of the best assemblies we have ever had!

Our own Jacqueline de Vulpian instructed some of our students in a Paris street scene. The other visiting students directed companies in characteristic scenes of their countries.

After the assembly the foreign exchange students signed autographs to help promote the "Share the Fare" drive to bring over our next foreign exchange student to Camelback.

THIS YEAR Camelback had on its campus the nation's first high school Civil Defense Club. Seen in the picture are Doug Moye, club founder, Jeff Glaze, and Kent Corbin.

LYNN CONNIN, Linda Daly, and Jeanette Williams are three of many girls who collect the attendance and assist the secretaries in the Registrar's Office.

COMPLICATED, I'll say! This machine, operated by the boys in the Audio Visual Department, plays the leading role in showing the educational films at Camelback.

I WONDER . . . if those who read and enjoy this yearbook . . . are aware of the numerous people who have given so generously of their time and effort to construct it . . .

The staff of the "Shield", whose job it was to design and compile the information herein, knows of the work and long hours required to produce a book like this. I compliment those who gave up their semester vacation and contributed many hours of their own time after school to help meet the deadlines.

The administration and faculty have been most cooperative in helping us with the many problems which have arisen. This year's staff of the "Shield", which was almost totally inexperienced, has been expertly guided by our friend and sponsor, Mr. Garrett. Last, but not least, I would like to thank our advertisers for their cooperation with our salesmen and our advertising manager.

 the N.

us has been  
outful one, and we  
had a nice time and a  
of laughs together.  
I'll especially remember the  
fun we've had in J.H.A. all the  
excitement about initiation and  
especially down at the U of A.  
The baseball and football games  
with all the screaming happiness  
and heartbreaks and all the many  
other things we've done together  
I hope next year will find us  
the same way and especially  
since you're J.H.A. Secretary  
for J.H.A. and I know you'll be  
a good one. As always
